ARSENE TABLES AND CHAIRS FOR BENELUS LIMITED BY GUILLAUME DELVIGNE AND VINCENT ESCHALIER

Guillaume Delvigne is one of the 6 Talents à la Carte to be discovered. **Arsène Tables and Chairs** are symbol of the pursuit for new archetypes between minimalism and comfort. The range of lacquered monochrome wood tables and chairs in kit format is destined for mass-production and requires a distributor.

MAKIL CHAIR BY PATRICK NORQUET

The **Makil chair** has been designed by **Patrick Norguet** for the French editor **Alki**. Sober and classically elegant, Makil is a stackable oak chair. It is a wood assembling game which uses the best possible bending techniques thanks to inside out knowledge of the fabrication tool. It is an example, of great delicacy, of Patrick Norguet's natural ease in designing seats without ever repeating himself.
