at [Maison & Objet 2011](#) in Hall 7 from next 21st to 25th January. There will be a preview of the brand new Arsène range designed with the architect Vincent Eschalièr for [Belenus Limited](#), a company in Hong Kong specialising in the mass distribution of furniture and decoration.

### Arsène Tables and Chairs

Guillaume Delvigne & Vincent Eschalièr (2011)

Symbolic of the pursuit for new archetypes between minimalism and comfort, the Arsène range of lacquered monochrome wood tables and chairs in kit format is destined for mass-production and requires a distributor. A first step for the duo (they met at Marc Newson in 2007) who is now working on the future Galerie Emmanuel Perrotin bookshop.
